RE: Amended Pre-Election Report, Primary - Angus King for U.S. Senate
Campaign
FEC Committee # C00516047

Dear Sir or Madam,

On June 28, 2012, the Angus King for U.S. Senate Campaign filed an amended FEC Form 3 Report of Receipts and Disbursements for the pre-election period covering April 1 through May 23, 2012.

This letter will serve to summarize the differences between the original report dated May 30, 2012 and the amended report dated June 28, 2012:

1. The original report overstated contributions by \$2010. This amount was attributable to double counting several contributions by contributors to the Council for a Livable World Candidate Fund. In the original report, the amount of \$1165 was properly noted in the memo entry on Schedule A for the Council for a Livable World Candidate Fund; however, several of the individual contributions included in this bundle were mistakenly entered more than once. Because these contributions fell below the threshold of \$200 for individual reporting purposes, they did not appear in the itemized section of the report. These entries have been corrected in the amended report.
2. The original report did not include an in-kind contribution of \$100 from the Council for Livable World Candidate Fund. This information is corrected in the amended report (page attached).
3. The amended report changed the status of two contributors to joint contributions.
